SELECTED CREATIVE PRACTICE

Co-founder - Otherland Theatre Ensemble (2017 - Present)

The Otherland Theatre Ensemble is a physical theatre devising company made up of artists from India, Greece, Mexico, Spain, and the United States. Through transformative embodiment of larger-than-life characters, we tell stories of outcasts and underdogs moved by universal struggles in outrageous worlds. Otherland Ensemble's work is rooted in our ability to cherish the cultural differences of our individual members while simultaneously responding to global conversations that unite us.
